## WELLCAR VEHICLE SERVICE BENEFITS PROGRAM

WellCar Vehicle Service Benefits (VSB) is a new category of enhanced benefits offered as a membership program exclusively to U-Haul dealers, business employees, and their families.

#### **ELIGIBILITY**

If you are an active employee or contractor, you are eligible to participate in the WellCar Vehicle Service Benefits Program.

Through this offering, we make this eligible for all members of the household, who own a vehicle, and will extend our offer to friends or family members for their vehicles as well.

| Eligible Participants<br>Include: |   | Vehicle Conditions Include: |   |
|-----------------------------------|---|-----------------------------|---|
| ✓                                 | Employee or<br>Contractor (at employer<br>discretion, either full- or<br>part-time) | ✓                           | 25-years or newer (some vehicles excluded)  |
| <b>✓</b>                          | Legal spouse or<br>domestic partner of<br>employee or contractor                    | X                           | Vehicles with salvage or grey market titles |
| ✓                                 | Child(ren), extended family and friends as eligible                                 | X                           | Vehicles with a pre-<br>existing condition  |

## **BENEFIT OPTIONS AND COSTS**

WellCar COMPLETE includes:

- Dedicated Concierge Team
- Maintenance Discounts
- Roadside Assistance
- Mechanical Repairs
- Ride-Hailing
- Alternate Transportation
- Trip Interruption
- Mobile App
- Rewards Program

#### WellCar Cost Structure:

Member costs are based on your unique year, make, and model of your vehicle. Once enrolled, your price never changes, regardless of mileage.

#### BENEFIT VEHICLE CLASS GUIDE

Vehicles fall within a 6-class system, ranging from class 1 to class 6. Examples of vehicles in each class are:

#### Class 1

Hyundai Santa Fe, Kia Optima, Mazda CX-5, Subaru Legacy, Toyota Sienna

#### Class 2

Acura MDZ, Buick Lacrosse, Chevrolet Silverado, Ford Explorer, Infiniti Q50, Lexus LS500

#### Class 3

Cadillac CTS, Chrysler 300, Dodge Durango, GMC Denali, Jeep Grand Cherokee, Lincoln Navigator

#### Class 4

Audi A8, BMW 440, Chevrolet Camaro, Genesis GV70, Mercedes-Benz C-class, Volvo S90

#### Class 5

BMW 650, Chevrolet Corvette ZR1, Hummer H2, Jaguar F-Type, Land Rover Defender, Porsche Cayenne

#### Class 6

BMW 740, BMW 745, BMW 750, BMW Alpina

#### **BENEFIT ELIGIBILITY START DATE**

Enrollment within the WellCar Program is aligned with your employer eligibility rules. If an employer elects to offer WellCar throughout a calendar year, without limits, employees can complete their enrollment at any time. If an employee elects to cancel within a calendar year, they are unable to re-enroll without waiting a minimum 120-days from their cancellation date.

#### REQUIRED INFORMATION TO ENROLL

Enrollment for WellCar Program Benefits is a simple, three step process. To Enrollment for WellCar Program Benefits is a simple, three step process. To start enrollment, you are required to have an **EMAIL ADDRESS** (personal or work) and a **DEALER CODE**, which is your 5-Digit U-Haul Dealer Number.

We will <u>require</u> the year, make, and model of your vehicle PLUS an estimate of your current mileage. We ask for your vehicle identification number (VIN) during enrollment, which is requested, though not a mandatory field, so we can give you a more personal experience in your membership, whether for a roadside event or a major repair.

We do not require any additional documentation for you to complete enrollment. Once enrolled, you will be able to upload your service record history within our mobile app (for reward points) and get regular, timely messages from your Concierge with important reminders of service events.

#### **EMPLOYMENT OR LIFE EVENT CHANGES**

In the event you leave your job, under any circumstances, you will be able to keep WellCar benefits, meaning no break in coverage. If you do not have payment information on your account, WellCar will request this to keep coverage through your separation from your employer. Through all other life changes, WellCar is there to support you through these challenges and can help you through these events, please let us know the event (e.g., marriage, birth, adoption, changes in dependent status, etc.).

Should you sell your vehicle, or purchase or lease another vehicle, you may switch or add a vehicle to your membership at any time.

Please contact your Concierge with these details at 877-493-5522 or <a href="mailto:support@wellcar.us">support@wellcar.us</a>.

## WELLCAR CONCIERGE TEAM

We have created the Concierge Team, your personal assistants, focused on maintaining the health and wellness of your vehicle – here to schedule maintenance, answer your vehicle concerns or find repair facilities. This team will guide you through your benefits and help ensure your car stays on the road for as long as you want.

We know your time is valuable, so, in addition to offering you the industry's best coverage, your Concierge will support you with:

- General coverage questions
- Assistance with enrollment
- Getting quotes from service providers in your area for regular maintenance
- Always here to help

- Support with navigation through our interactive mobile app
- Finding reputable repair facilities
- Scheduling those maintenance events

## WELLCAR MAINTENANCE DISCOUNTS

We provide access to over 45,000 repair centers willing to give the highest discounts for routine maintenance you need to keep your vehicle on the road. Our benefits include discounts of up to 25% on regular maintenance you perform on your vehicle plus resources to make it easy for you to maintain the health and wellness:

- Maintenance Interval Profile We build a profile of your specific vehicle, highlighting the frequency in which work should be completed on your vehicle to keep it on the road.
- 2) <u>ASE-certified Technicians</u> Exclusive to WellCar members, we connect them to ASE-certified technicians who can remotely diagnose problems with their vehicles, recommend service work for year, make, and model, and confirm fair prices for the services needed.
- 3) Track and Record Maintenance Events When you perform car maintenance at regular intervals, it keeps your ride in proper working order and helps prevent your vehicle breaking down unexpectedly. Tracking and recording these events allow WellCar to predict the next events. This detail of your vehicle service history can boost the value of your vehicle if or when you decide to sell.
- 4) <u>Schedule Vehicle Repair and Maintenance</u> We know scheduling car repair and maintenance can be often overlooked and painful. But the truth is, it doesn't have to be. Let WellCar help schedule the routine repair with a hassle-free connection to quality service providers.
- 5) Partnering to Manage and Schedule Appointments, Nationwide Leveraging our partnership with Openbay, we connect WellCar members to over 45,000 services providers across the United States with pre-approved discounts, exclusive to WellCar members

## WELLCAR ROADSIDE ASSISTANCE

We provide you emergency road services when needed – 24 hours per day, 365 days a year. Services including Towing, Emergency Tire, Fuel, Lockout, Battery, Trip Interruption or Ridehailing.

| Towing Service  | Emergency Tire Service   | Battery Service   |
|---|--|---|
| If your vehicle cannot start or<br>be driven, you are covered up<br>to One-Hundred Fifty Dollars<br>(\$150.00) per occurrence for<br>towing expenses. | If your vehicle has a flat or<br>damaged tire, you are covered<br>up to a maximum of One-<br>Hundred Fifty Dollars (\$150.00)<br>per occurrence for service to<br>change an inflated spare<br>provided by you. | If the battery for your vehicle fails, battery jump start services will be provided up to a maximum of One-Hundred Fifty Dollars (\$150.00) per occurrence. |

#### **Lockout Service**

If you misplace, break, or accidentally lock your keys in your vehicle, dispatch will provide a locksmith or emergency vehicle service to assist you. Lockout service is limited to One-Hundred Fifty Dollars (\$150.00) per occurrence. The cost of new keys is not covered.

#### Trip Interruption

If your vehicle must remain at a repair facility overnight for authorized repairs and is more than one hundred (100) miles from your home, we will reimburse YOU for a portion of YOUR lodging and restaurant expenses up to three (3) days. Trip interruption benefits are eligible up to \$150.00 per day, with a maximum of \$500.00 per occurrence.

## Fuel Delivery Service

In case it is necessary for the operation of your vehicle, a service vehicle will deliver oil, fuel, or water to you. You are responsible for the cost of the oil and fuel. Fuel delivery services are limited to One-Hundred Fifty Dollars (\$150.00) per occurrence.

## WELLCAR RIDE-HAILING

This is specifically a benefit under the WellCar ROADSIDE ASSISTANCE, but important enough for this to have its own subheading. In the event you have a roadside event, not only will WellCar cover the transportation of your vehicle to a repair center to get your vehicle back on the road, but we will also get you to where you were headed, via Lyft or Uber. You are eligible to receive reimbursement for ridehailing through Lyft or Uber to your home, place of employment, or other location up to Twenty-Five Dollars (\$25) per occurrence of a roadside event when your vehicle is inoperable or towed under terms of this Endorsement.

## **WELLCAR TRUSTED FACILITIES**

Through our robust partnerships throughout the United States, we help you identify repair centers performing the services you require, generating multiple estimates based on mechanic labor and parts rates, even helping you schedule an appointment.

To be clear, you can get your vehicle repaired at any facility you choose.

In the event you need assistance finding a reputable repair facility, one that you need to trust to perform repairs on your vehicle, you can find a facility near your location. By using the WellCar Interactive Mobile Application, you can open the "Find a repair center" feature, which will show you repair centers in your area, help identify pricing estimates for the work to be done, and even help you schedule an appointment when it is convenient for you.

## WELLCAR TRIP INTERRUPTION

We will reimburse for a portion of lodging and restaurant expenses up to three (3) days if you are more than 100 miles from your home and your vehicle remains at a repair facility overnight for authorized repairs. We know that sometimes breakdowns occur when you are out of town.

If your vehicle must remain at a repair facility overnight for authorized repairs and is more than one hundred (100) miles from your home, we will reimburse YOU for a portion of YOUR lodging and restaurant expenses up to three (3) days. Trip interruption benefits are eligible up to \$150.00 per day, with a maximum of \$500.00 per occurrence.

## WELLCAR MOBILE APP

We have developed an interactive mobile application exclusive to members that offers extensive features to maintain the health and wellness of your car, including, but not limited to:

#### **MOBILE APP FEATURES**

- Track your vehicle mileage
- Communicate regular maintenance intervals
- Engage Concierge Resources
- Upload all service records and parts purchases
- Review history of claims and roadside events
- Engage ASE-certified technicians
- Access to member rewards balances
- Member ID card for service discounts
- Add vehicles and refer new members

## **WELLCAR REWARDS PROGRAM**

We provide an exclusive rewards program, immediately earning reward points for future redemption just by enrolling, using our mobile app, recording mileage, uploading service records, or referring friends and family to the WellCar family.

Enjoy the benefits of our MEMBERS ONLY reward program! By enrolling in WellCar's Benefits Program, you immediately start earning reward points for future redemption just by using our mobile app to verify your VIN, record your mileage, upload your service record history, refer friends and family, or by using many other features.

## **WELLCAR MECHANICAL REPAIRS**

We provide for breakdown and repair coverage, depending on your mileage, for more parts, including but not limited to, Engine, Transmission, Drive Axle, and Transfer Case parts. This coverage differs slightly based on mileage on the on odometer at time of breakdown.

To file a repair claim, call 877-493-5522.

|-----------------------------|-------------------------------|--------------------------------|
| P/S Fluid                   | Rear Wheel Toe Control Module | Upper Steering Column Coupling |
| Power/Steering Assist Motor | Rack And Pinion Gear(S)       | Upper Steering Column Shaft    |

#### VEHICLES WITH LESS THAN 150,000 MILES

#### Brake parts included:

| ABS Accumulator                      | Brake Caliper - Right Rear      | Parking Brake Cables / Linkage |
|--------------------------------------|---------------------------------|--------------------------------|
| ABS Electronic Control Processor     | Brake Diagnostic                | Parking Brake Module           |
| ABS Gasket(S)                        | Brake Master Cylinder           | Parking Brake Switch           |
| ABS Hydraulic Pump/Motor Assembly    | Brake Pedal Sensor              | Power Brake Cylinder           |
| ABS Pressure Modulator Valve         | Brake Pedal Switch              | Proportioning Valve            |
| ABS Wheel Speed Sensor - Left Front  | Brake Pad Wear Sensor           | Seal(S) and Gasket(S)          |
| ABS Wheel Speed Sensor - Left Rear   | Electric Brake Boost Pump/Motor | Traction Control Switch        |
| ABS Wheel Speed Sensor - Right Front | Emergency Braking/Collision     | Vacuum Assist Booster Pump     |
| ABS Wheel Speed Sensor - Right Rear  | Emergency Sensor/Radar/Camera   | Vacuum Boost Pump              |
| ABS Relay                            | Hose(S)                         | Wheel Cylinder Left Front      |
| Brake Caliper Kit                    | Hydraulic Fitting(S)            | Wheel Cylinder Left Rear       |
| Brake Caliper - Left Front           | Hydraulic Line(S)               | Wheel Cylinder Right Front     |
| Brake Caliper - Left Rear            | Lateral Accelerometer           | Wheel Cylinder Right Rear      |
| Brake Caliper - Right Front          | Parking Brake Actuator          | Yaw Rate Sensor                |

## VEHICLES WITH LESS THAN 150,000 MILES

## Steering system parts included:

| Cooler/Cooler Lines (Metal Only) | Power Steering Column Control Module  | Rack And Pinion Gear Housing   |
|----------------------------------|---------------------------------------|--------------------------------|
| Coupling(S)                      | Power Steering Control Module         | Rack And Pinion Gear Shaft     |
| Drag Link/Center Link            | Lower Steering Column Intermed, Shaft | Seal(S)                        |
| Gasket(S)                        | Power Steering Hose(S)                | Shaft(S)                       |
| Gear(S)                          | Power Steering Pump                   | Steering Box                   |
| Idler Arm(S)                     | Power Steering Pump Overhaul Kit      | Steering Diagnostic            |
| Internal Tilt Wheel Mechanism    | Power Steering Solenoid               | Steering Knuckle(S)            |
| Knuckle(S)                       | Power Tilt/Height Steering Column     | Steering Torque/Force Sensor   |
| Linkage(S)                       | Rear Wheel Steering Actuator          | Steering Wheel Position Sensor |
| Lower Steering Column Coupling   | Rear Wheel Steering Module            | Tie Rod End(S) - Inner         |
| Pitman Arm(S)                    | Rear Wheel Toe Actuator               | Tie Rod End(S) - Outer         |
| P/S Fluid                        | Rear Wheel Toe Control Module         | Upper Steering Column Coupling |
| Power/Steering Assist Motor      | Rack And Pinion Gear(S)               | Upper Steering Column Shaft    |

## VEHICLES WITH LESS THAN 150,000 MILES

#### **Brake parts included:**

| ABS Accumulator                      | Brake Caliper - Right Rear      | Parking Brake Cables / Linkage |
|--------------------------------------|---------------------------------|--------------------------------|
| ABS Electronic Control Processor     | Brake Diagnostic                | Parking Brake Module           |
| ABS Gasket(S)                        | Brake Master Cylinder           | Parking Brake Switch           |
| ABS Hydraulic Pump/Motor Assembly    | Brake Pedal Sensor              | Power Brake Cylinder           |
| ABS Pressure Modulator Valve         | Brake Pedal Switch              | Proportioning Valve            |
| ABS Wheel Speed Sensor - Left Front  | Brake Pad Wear Sensor           | Seal(S) and Gasket(S)          |
| ABS Wheel Speed Sensor - Left Rear   | Electric Brake Boost Pump/Motor | Traction Control Switch        |
| ABS Wheel Speed Sensor - Right Front | Emergency Braking/Collision     | Vacuum Assist Booster Pump     |

| ABS Wheel Speed Sensor - Right Rear | Emergency Sensor/Radar/Camera | Vacuum Boost Pump          |
|-------------------------------------|-------------------------------|----------------------------|
| ABS Relay                           | Hose(S)                       | Wheel Cylinder Left Front  |
| Brake Caliper Kit                   | Hydraulic Fitting(S)          | Wheel Cylinder Left Rear   |
| Brake Caliper - Left Front          | Hydraulic Line(S)             | Wheel Cylinder Right Front |
| Brake Caliper - Left Rear           | Lateral Accelerometer         | Wheel Cylinder Right Rear  |
| Brake Caliper - Right Front         | Parking Brake Actuator        | Yaw Rate Sensor            |

## VEHICLES WITH LESS THAN 150,000 MILES

## Suspension parts included:

| Active Sway bar Motor / Actuator        | Lower Control Arm - Right       | Suspension Diagnostic           |
|---|---------------------------------|---------------------------------|
| Air Springs                             | Lower Control Arm Shaft - Left  | Torsion Bar - Left              |
| Coil / Leaf Springs                     | Lower Control Arm Shaft - Right | Torsion Bar - Right             |
| Electronic Sway bar Disconnect Motor    | Mode Selector Switch            | Torsion Bushing(S)              |
| Electronic Sway Bar Disconnect Actuator | Radius Arm Bushing(S)           | Torsion Mount(S) - Left         |
| Height Sensor                           | Radius Arm - Left               | Torsion Mount(S) - Right        |
| Hydraulic Suspension Module / Motor     | Radius Arm - Right              | Upper Ball Joint(S)             |
| Kingpin(S) & Bushings                   | Ride Control Module             | Upper Control Arm Bushing(S)    |
| Level Control Compressor                | Seal(S)                         | Upper Control Arm - Left        |
| Level Control Suspension Pump           | Spindle - Knuckle               | Upper Control Arm - Right       |
| Level Control Solenoid                  | Stabilizer Bar - Front          | Upper Control Arm Shaft - Left  |
| Lower Ball Joint(S)                     | Stabilizer Bar - Rear           | Upper Control Arm Shaft - Right |
| Lower Ball Joint W/Control Arm          | Stabilizer Bushing(S)           | Wheel Bearing(S)                |
| Lower Control Arm Bushing(S)            | Support Bearing(S)              |                                 |
| Lower Control Arm - Left                | Support Bearing(S)              |                                 |
|   |                                 |                                 |

## VEHICLES WITH LESS THAN 150,000 MILES

## Air Conditioning & Heating parts included:

| Accumulator / Receiver Dryer    | Compressor Clutch(S)           | Heater / A/C Blower Speed Switch        |
|---------------------------------|--------------------------------|---|
| A/C Compressor Control Module   | Compressor Pulley              | High/Low Cut-Off Switch/Pressure Switch |
| A/C Heating Outlet / Duct       | Coolant Recovery Tank          | Idler Pulley                            |
| A/C Lines                       | Driver Temperature Sensor      | Interior Temperature Sensor             |
| Auto-Climate Control Programmer | Evacuate And Recharge          | Manual Heater                           |
| Air Conditioning Diagnostic     | Evaporator                     | A/C Control Head Assembly               |
| Auto Heater / A/C Control Head  | Evaporator Case                | Orifice Tube                            |
| Blend Door Actuator             | Evaporator Fan (Dedicated)     | Passenger Temperature Sensor            |
| Blend Door Cable                | Evaporator Temperature Sensor  | Pressure Cycling Switch                 |
| Blend Door Case                 | Refrigerant Temperature Sensor | Refrigerant - Oil                       |
| Blower Motor Relay              | Expansion Valve                | Refrigerant - Only If Needed for Repair |
| Climate Control Module          | Gasket(S)                      | Refrigerant Pressure Sensor             |
| Condenser                       |                                | Seal(S)                                 |

## VEHICLES WITH LESS THAN 150,000 MILES

## **Electrical parts included:**

| Alternator                           | Headlamp Switch       | Power Tailgate Motor           |
|--------------------------------------|-----------------------|--------------------------------|

## VEHICLES WITH LESS THAN 150,000 MILES

## Fuel System parts included:

| Engine Fuel Diagnostic | Fuel Pump                | Fuel Pressure Sensor          |
|------------------------|--------------------------|-------------------------------|
| Ethanol Sensor         | Fuel Tank                | High Pressure Pump            |
| Fuel Injection Pump    | Fuel Tank Sending Unit   | Low Pressure Pump / Lift Pump |
| Fuel Injector(S)       | Fuel Pump Control Module | O Rings / Gaskets / Seals     |
| Fuel Line(S)           | Fuel Heater              | Vacuum Pump                   |

| Fuel Pressure Regulator | Fuel Cooler |  |
|-------------------------|-------------|--|
| Engine Fuel Diagnostic  | Fuel Pump   |  |

#### VEHICLES WITH LESS THAN 150,000 MILES **Engine Cooling parts included:** Active Shutter Actuator Motor Cooling Fan Module Fan Clutch Active Shutter Motor Electric Boost Cooling Pump Heater Control Valve **Active Shutter Module** Electric Water Pump Heater Core Heater Core Electric Boos Pump **Active Shutters Engine Cooling Diagnostic Belt Tensioner** Engine Cooling Fan Motor Radiator Blower Motor Engine Fan Blade Water Pump Control Module

## VEHICLES WITH LESS THAN 150,000 MILES

**Emissions System parts included:** 

| Air Fuel Ratio Sensor                     | Diesel Particulate Filter Temp Sensor | Fuel Temperature Sensor       |
|---|---------------------------------------|-------------------------------|
| Air Induction System                      | ECM                                   | Gas Engine EGR Recirculation  |
| Air Pump                                  | EGR Cooler [Diesel]                   | Idle Speed Control Motor      |
| Barometric Pressure Sensor                | EGR / EFE Thermal Vacuum Switch       | Intake Air Resonator          |
| Cam Sensor                                | EGR Solenoid                          | Intake Air Temperature Sensor |
| Cam Timing Solenoid                       | EGR Valve                             | Knock Sensor                  |
| Canister Purge Solenoid                   | Emission Diagnostic                   | Manifold Pressure Sensor      |
| Deceleration Valve                        | Engine Oil Fill Cap                   | Mass Airflow Sensor           |
| Diesel Emission Fluid Heater              | Ethanol Sensor                        | Neutral Safety Switch         |
| Diesel Emissions Fluid Injector           | Fuel Fill Neck Restrictor             | NOX Sensor                    |
| Diesel Emissions Fluid Level Sensor       | Fuel Sensor                           | O2 Sensor                     |
| Diesel Emissions Fluid Pump               | Evap Tank Pressure Sensor             | PCM Coolant Temp Sensor       |
| Diesel Emissions Fluid Tank               | Evap Vacuum/Pressure Pump             | PCV System Cause of Failure   |
| Diesel Particulate Filter Fuel Injector   | Evap Vent Valve                       | PCV Valve                     |
| Diesel Particulate Filter Pressure Sensor | Exhaust Gas Temp Sensor               | PVC Sensor                    |
| Diesel Particulate Filter Temp Module     | Fuel Tank Pressure Control Valve      | Throttle Position Sensor      |

## WELLCAR EXCLUDED VEHICLES

Although we provide coverage for an extensive list of vehicles, the list of vehicles below are NOT eligible for the WellCar COMPLETE benefit.

Acura - NSX, Audi – E-Tron, BMW – 1M, 840 6 cylinder, 1 Series, M Series, X Series Turbo, Chevrolet – S10 Electric, Spark Electric, Volt Hybrid, Chrysler - Prowler, Dodge – Caravan Electric, Fiat – 500 Electric, Ford – F150 Raptor Turbo, Focus Electric, Mustang versions: Boss, Bullitt, Cobra, Mach-E, Shelby, Ranger Electric, Think Electric, Honda – Clarity, Hummer – H1 Diesel, Hyundai – Ioniq Electric, Kona Electric, Infiniti – M35H Hybrid, Jaguar – I-Pace, Kia – Niro Electric, Soul Electric, Mazda – MX30, RX8, Mercedes – all AMG models, B Electric, B250 Electric, Mini – Cooper Electric, Mitsubishi – I Miev, Nissan – Altra, GT-R, Leaf, NV Series, Plymouth – Voyager, Porsche – 911 models, 918, 4S, all Panamera models, Taycan, Smart – Fortwo Electric, Toyota – Rav4 Electric, Scion Electric, Volkswagen – E-Golf, Eurovan, Golf Electric, ID4 Electric and Volvo – VX40 Electric. All Alfa Romeo, AM General, Aston Martin, Bentley, Bugatti, Eagle, Ferrari, Fisker, Freightliner, Karma, Lamborghini, Lotus, Maserati, Maybach, McLaren, Panoz, Rolls Royce, Sprinter, Spyder, and Tesla vehicles.
