## BENEFIT ELIGIBILITY START DATE

Enrollment within the WellCar Program is aligned with your employer eligibility rules. If an employer elects to offer WellCar throughout a calendar year, without limits, employees can complete their enrollment at any time. If an employee elects to cancel within a calendar year, they are unable to re-enroll without waiting a minimum 120-days from their cancellation date.

## REQUIRED INFORMATION TO ENROLL

Enrollment for WellCar Program Benefits is a simple, three step process. To Enrollment for WellCar Program Benefits is a simple, three step process. To start enrollment, you are required to have an **EMAIL ADDRESS** (personal or work) and a **DEALER CODE**, which is your 5-Digit U-Haul Dealer Number.

We will require the year, make, and model of your vehicle PLUS an estimate of your current mileage. We ask for your vehicle identification number (VIN) during enrollment, which is requested, though not a mandatory field, so we can give you a more personal experience in your membership, whether for a roadside event or a major repair.

We do not require any additional documentation for you to complete enrollment. Once enrolled, you will be able to upload your service record history within our mobile app (for reward points) and get regular, timely messages from your Concierge with important reminders of service events.

## EMPLOYMENT OR LIFE EVENT CHANGES

In the event you leave your job, under any circumstances, you will be able to keep WellCar benefits, meaning no break in coverage. If you do not have payment information on your account, WellCar will request this to keep coverage through your separation from your employer. Through all other life changes, WellCar is there to support you through these challenges and can help you through these events, please let us know the event (e.g., marriage, birth, adoption, changes in dependent status, etc.).

Should you sell your vehicle, or purchase or lease another vehicle, you may switch or add a vehicle to your membership at any time.

Please contact your Concierge with these details at 877-493-5522 or [support@wellcar.us](mailto:support@wellcar.us).

## WELLCAR CONCIERGE TEAM

We have created the Concierge Team, your personal assistants, focused on maintaining the health and wellness of your vehicle – here to schedule maintenance, answer your vehicle concerns or find repair facilities. This team will guide you through your benefits and help ensure your car stays on the road for as long as you want.

We know your time is valuable, so, in addition to offering you the industry's best coverage, your Concierge will support you with:

- General coverage questions
- Assistance with enrollment
- Getting quotes from service providers in your area for regular maintenance
- Always here to help
- Support with navigation through our interactive mobile app
- Finding reputable repair facilities
- Scheduling those maintenance events
- Hours 8:30am – 5:30pm CST

## WELLCAR MAINTENANCE DISCOUNTS

We provide access to over 45,000 repair centers willing to give the highest discounts for routine maintenance you need to keep your vehicle on the road. Our benefits include discounts of up to 25% on regular maintenance you perform on your vehicle plus resources to make it easy for you to maintain the health and wellness:

- 1) Maintenance Interval Profile - We build a profile of your specific vehicle, highlighting the frequency in which work should be completed on your vehicle to keep it on the road.
- 2) ASE-certified Technicians - Exclusive to WellCar members, we connect them to ASE-certified technicians who can remotely diagnose problems with their vehicles, recommend service work for year, make, and model, and confirm fair prices for the services needed.
- 3) Track and Record Maintenance Events - When you perform car maintenance at regular intervals, it keeps your ride in proper working order and helps prevent your vehicle breaking down unexpectedly. Tracking and recording these events allow WellCar to predict the next events. This detail of your vehicle service history can boost the value of your vehicle if or when you decide to sell.
- 4) Schedule Vehicle Repair and Maintenance - We know scheduling car repair and maintenance can be often overlooked and painful. But the truth is, it doesn't have to be. Let WellCar help schedule the routine repair with a hassle-free connection to quality service providers.
- 5) Partnering to Manage and Schedule Appointments, Nationwide - Leveraging our partnership with Openbay, we connect WellCar members to over 45,000 services providers across the United States with pre-approved discounts, exclusive to WellCar members

## WELLCAR ROADSIDE ASSISTANCE

We provide you emergency road services when needed – 24 hours per day, 365 days a year. Services including Towing, Emergency Tire, Fuel, Lockout, Battery, Trip Interruption or Ride-hailing.

Towing Service	Emergency Tire Service	Battery Service
If your vehicle cannot start or be driven, you are covered up to One-Hundred Fifty Dollars (\$150.00) per occurrence for towing expenses.	If your vehicle has a flat or damaged tire, you are covered up to a maximum of One-Hundred Fifty Dollars (\$150.00) per occurrence for service to change an inflated spare provided by you.	If the battery for your vehicle fails, battery jump start services will be provided up to a maximum of One-Hundred Fifty Dollars (\$150.00) per occurrence.

Lockout Service	Trip Interruption	Fuel Delivery Service
<p>If you misplace, break, or accidentally lock your keys in your vehicle, dispatch will provide a locksmith or emergency vehicle service to assist you. Lockout service is limited to One-Hundred Fifty Dollars (\$150.00) per occurrence. The cost of new keys is not covered.</p>	<p>If your vehicle must remain at a repair facility overnight for authorized repairs and is more than one hundred (100) miles from your home, we will reimburse YOU for a portion of YOUR lodging and restaurant expenses up to three (3) days. Trip interruption benefits are eligible up to \$150.00 per day, with a maximum of \$500.00 per occurrence.</p>	<p>In case it is necessary for the operation of your vehicle, a service vehicle will deliver oil, fuel, or water to you. You are responsible for the cost of the oil and fuel. Fuel delivery services are limited to One-Hundred Fifty Dollars (\$150.00) per occurrence.</p>

## WELLCAR RIDE-HAILING

This is specifically a benefit under the WellCar ROADSIDE ASSISTANCE, but important enough for this to have its own subheading. In the event you have a roadside event, not only will WellCar cover the transportation of your vehicle to a repair center to get your vehicle back on the road, but we will also get you to where you were headed, via Lyft or Uber. You are eligible to receive reimbursement for ride-hailing through Lyft or Uber to your home, place of employment, or other location up to Twenty-Five Dollars (\$25) per occurrence of a roadside event when your vehicle is inoperable or towed under terms of this Endorsement.

## WELLCAR TRUSTED FACILITIES

Through our robust partnerships throughout the United States, we help you identify repair centers performing the services you require, generating multiple estimates based on mechanic labor and parts rates, even helping you schedule an appointment.

To be clear, you can get your vehicle repaired at any facility you choose.

In the event you need assistance finding a reputable repair facility, one that you need to trust to perform repairs on your vehicle, you can find a facility near your location. By using the WellCar Interactive Mobile Application, you can open the "Find a repair center" feature, which will show you repair centers in your area, help identify pricing estimates for the work to be done, and even help you schedule an appointment when it is convenient for you.

## WELLCAR TRIP INTERRUPTION

We will reimburse for a portion of lodging and restaurant expenses up to three (3) days if you are more than 100 miles from your home and your vehicle remains at a repair facility overnight for authorized repairs. We know that sometimes breakdowns occur when you are out of town.

If your vehicle must remain at a repair facility overnight for authorized repairs and is more than one hundred (100) miles from your home, we will reimburse YOU for a portion of YOUR lodging and restaurant expenses up to three (3) days. Trip interruption benefits are eligible up to \$150.00 per day, with a maximum of \$500.00 per occurrence.

## WELLCAR MOBILE APP

We have developed an interactive mobile application exclusive to members that offers extensive features to maintain the health and wellness of your car, including, but not limited to:

### MOBILE APP FEATURES

- Track your vehicle mileage
- Communicate regular maintenance intervals
- Engage Concierge Resources

- Review history of claims and roadside events
- Engage ASE-certified technicians
- Access to member rewards balances
- Member ID card for service discounts
- Add vehicles and refer new members

Download the mobile app by scanning the QR code or searching WellCar in the Apple App Store or Google Play Store.

App Store – Apple

Play Store – Google

## WELLCAR REWARDS PROGRAM

We provide an exclusive rewards program, immediately earning reward points for future redemption just by enrolling, using our mobile app, recording mileage, uploading service records, or referring friends and family to the WellCar family.

Enjoy the benefits of our MEMBERS ONLY reward program! By enrolling in WellCar's Benefits Program, you immediately start earning reward points for future redemption just by using our mobile app to verify your VIN, record your mileage, upload your service record history, refer friends and family, or by using many other features.

# WELLCAR MECHANICAL REPAIRS

We provide for breakdown and repair coverage, depending on your mileage, for more parts, including but not limited to, Engine, Transmission, Drive Axle, and Transfer Case parts. This coverage differs slightly based on mileage on the on odometer at time of breakdown.

Deductible is based on the mileage at the time of the repair.

0–100,000 Miles	\$50.00	100,001–150,000 Miles	\$100.00	Over 150,000 Miles	\$150.00
-----------------	---------	-----------------------	----------	--------------------	----------

The total limit of liability and claims payable is either the actual cash value of the vehicle based on NADA average trade-in value at the time of claim or \$15,000, whichever is less but not less than \$5,000.00. Limit of liability resets each year at time of benefit renewal (January 1st).

**To file a repair claim, call 877-493-5522.**
